

REMARKS

Petition for Extension of Time Under 37 CFR 1.136(a)

It is hereby requested that the term to respond to the Examiner's Action of April 30, 2009 be extended one month, from June 30, 2009 to July 30, 2009.

The Commissioner is hereby authorized to charge the extension fee, and any additional fees associated with this communication to Deposit Account No. 50-4364.

In the Office Action, the Examiner indicated that claims 1, 2, and 9-34 are pending in the application, and that all claims are objected to.

Applicant has amended the claims in accordance with the Examiner's comments and believe that all claims, as currently amended, overcome the Examiner's objections. Applicant notes that with regard to claim 14, although support for the disabling of writeback is found in the original claims, the writeback feature has been removed from claim 14. The remainder of claim 14 is supported by, for example, paragraph [0088] of the published application.

If it is felt that additional issues remain, the Examiner is respectfully requested to contact the undersigned attorney.

Conclusion

In view of the foregoing, applicant respectfully requests entry of the amendments, favorable reconsideration of the application, withdrawal of all objections and that claims 1, 2 and 9 - 34 be allowed at an early date and the patent allowed to issue.

The Commissioner is hereby authorized to charge any fees associated with this communication to Deposit Account No. 50-4364.

Respectfully submitted
